"On Christmas, so soon to come, let *not* the parents take the position that an evergreen placed in the church for the amusement of the Sabbath school scholars is a sin; for *it may be made a great blessing*. Keep before their minds benevolent objects. In no case should mere amusement be the object of these gatherings. While there may be some who will turn these occasions into seasons of careless levity, and whose minds will not receive the divine impress, to other minds and characters these seasons will be highly beneficial. **I am fully satisfied that innocent substitutes can be devised...**"  
(*Review and Herald*, December 9, 1884, par. 8).
